L'imbottitura del sedile con tessuto LEV per outdoor è realizzata con materasso in Polietilene; il sedile della sedia viene opportunamente forato per permettere il drenaggio dell'acqua.
The seat padding with LEV outdoor fabric is made with a Polyethylene mattress; the seat of the chair is appropriately perforated to allow water drainage.
Le rembourrage du siège en tissu extérieur LEV est constitué d'un matelas en Polyéthylène; le siège de la chaise est perforé de manière appropriée pour permettre l'évacuation de l'eau.
